

Tomorrow

Me First and The Gimme Gimmes

The sun'll come out tomorrow
Bet your bottom dollar that tomorrow there'll be sun
Just thinking about tomorrow
Clears away the cobwebs and the sorrow till there's none When I'm stuck in a day that's gray and lonely
I stick out my chin and grin and say
"The sun'll come out tomorrow
So you gotta hang on till tomorrow, come what may" Tomorrow, tomorrow, I love you, tomorrow
You're always a day away
Tomorrow, tomorrow, I love you, tomorrow
You're always a day away, away, yeah
