

I Want You

Janet Jackson

Feels like I'm goin' in circles
You're like a maze I can't get through
Should I go back, should I go back
Should I let you, stay for the night
It's like a seesaw, when it comes to your love
Boy, when you're up, this girl is down
And I just can't, figure it out 'Cause you know that I want you
Yeah
And you know that I need you
Yeah
Is that any way to be
Just have your way with me My body is cryin'
Yeah
These tears can you wipe 'em
Yeah
Is that any way to be
Just have your way with me I'm goin' out with guys, I don't wanna go
To places that I've been before, they pitchin' the same game
Boy it's a damn shame, how I wish it was you
Callin' me, I want it to be you
Holdin' me, boy it needs to be you
Kissin' me 'Cause it's like a seesaw, when it comes to your love
Boy when you're up, this girl is down
And I just can't, figure it out 'Cause you know that I want you
Yeah
And you know that I need you
Yeah
Is that any way to be
Just have your way with me My body is cryin'
Yeah
These tears can you wipe 'em
Yeah
Is that any way to be
Just have your way with me Listen
Have your way with me, anytime anywhere
Have your way, however I don't care
Have your way with me
And you can have it tonight
Tonight, tonight, boy tonight 'Cause you know that I want you

Yeah
And you know that I need you
Yeah
Is that any way to be
Just have your way with meMy body is cryin'
Yeah
These tears can you wipe 'em
Yeah
Is that any way to be
Just have your way with me'Cause you know that I want you
Yeah
And you know that I need you
Yeah
Is that any way to be
Just have your way with me
I want you, body is cryin' for you babyMy body is cryin'
Yeah
These tears can you wipe 'em
Yeah
Is that any way to be
Just have your way with me
