Sho' You Right

Barry White

You know B.W. I've heard it said
That a woman is a man's greatest gift
Sure you're right
And success ain't nothin unless you have someone to share it with
Mmmmm, so true, so true
I've always felt that it's great to achieve in life
Not having someone other than yourself to share it with it is, uhh
Sho' YOU'RE right
Quite sad
In my case, I may have found someone (mmm)
I want, all, of that someone
Yeah, I know what you mean
Well I'll tell you my friend
Just, communicate with her
And always say what you mean and mean what you say
Because, it's her that you want all of me
Aoww
Come here baby
Come bring ALL of you to me
When I say I want all of you
I mean I want all of you from your head to your feet (mmm)
I wanna taste everything from your lipstick to your toenail polish
C'mere Kane brother
I want you I want you
I want to hold you, I want to massage you
I want to comfort you, I want to sooth you (mm!)
You know the way you're standin still there
I just wanna lay on the floor and make love to your shadow
(A-heh) Sounds silly don't it?
Not really
But for real, let me come on over there
Run my fingers through your hair
Hold your Nair, and undo that brassiere
My dear
Daddy Kane
Because tonight girl, all of me wants, all of you
Ohhhhhhh
Meeeeeeee, all of meeeeeeee
Wants allllllllll of youuuuuuuuuu

Let's start tonight, I know you're right
Over and over and over
Let's do it now, you show me how
Over and over and over again
Oh I can tell you're serious aren't you?
I'm glad to see that you feelin, this way
That there's somebody in this world that
Make you want to give up that kind of commitment
Love is such a beautiful thing when it's, equally shared
Tell em Maestro
When two people, find the same common ground
They call it, having, so much in common
Making love is one of things that people, these days
Seem to find too common
Communicate B.W
Sho' you right
So I want you to know, that I really feel
That you gonna make it all the way with this young lady
You got my love, my respect
You're bad young man, you're bad
Meeeeeeee, all of meeeeeeee
Ooh baby, mmm
Wants alllllllll of youuuuuuuuuu
All of you
Let's start tonight, I know you're right
Oh, yeahhhh
Over and over and over
Let's do it now, you show me how
Can we do this?
Over and over and over again
And over and over and over and over
Meeeeeeee, all of meeeeeeee
Yes love, all, of me
Wants alllllllll of youuuuuuuuuu
I want you
Let's start tonight, I know you're right
Mmmmm, sho' you right
Over and over and over
I want it now, come show me how
Come show me
Over and over and over again
Meeeeeeee, all of meeeeeeee
Wants alllllllll of youuuuuuuuuu
I want you from head to toe
Let's start tonight, I know you're right

Over and over and over
