Sleepy Hollow

Deadsy

Jonathan Davis:
Came to see him
for you only might find
gone take my lay
for you and I will find
Form to see my fates
I cannot ever find
Places I care for
nothing in my mind
Bring me not far enough
all lurking you'll find
placing not far
you're every single mind
So fine can
only for you and me will find
basis all for me
Can you leave my mind
Bracing my fall
My every single place
your love traveled far
some laying with my fates
Place some never far
you're everything around
You say I'm a love
and be mine every wayElijah Blue:
