

Turn It On Again (Live In Amsterdam)

Genesis

One, two, three, four
All I need is a TV show, that and the radio
Down on my luck again, down on my luck again
I can show you, I can show you
Some of the people in my life
I can show you, I can show you
Some of the people in my life
It's drivin' me mad
Just another way of passin' the day
I, I, get so lonely when she's not there
I, I, I, I, I
You're just another face, that I know from the TV show
I have known you for so very long, feel like a friend
Can't you do anythin' for me, can I touch you for a while
Can I meet you on another day and we will fly away
I can show you, I can show you
Some of the people in my life
I can show you, I can show you
Some of the people in my life
It's driving me mad
It's just another way of passin' the day
I, I get so lonely when she's not there
I, I, I, I, I
Turn it on, turn it on, turn it on again
Turn it on, turn it on, turn it on again
(I can see another face, I can see your another face)
Turn it on, turn it on, turn it on again
(I can see another face, I can see your another face)
Turn it on, turn it on, turn it on again
(I can see another face, I can see your another face)
Turn it on, turn it on, turn it on again
(I can see another face, I can see your another face)
Turn it on, turn it on, turn it on again
(I can see another face, I can see your another face)
Turn it on, turn it on, turn it on again
(I can see another face, I can see your another face)
Turn it on, turn it on, turn it on again
(I can see another face, I can see your another face)
