

He's a Rebel

Donna Summer

Oh, he's a rebel and you may not like his looks or his style
But he's faster than light and he can walk a miracle mile
He'll point you out then he'll pull you in
I guarantee he'll be your best friend He's a rebel and he's gonna be good anyhow
And the boys of the group oh they just wanna drag him way down
He's so straight ahead, he will blow your mind
He can be strong and yet so kind What you see is what you get and what you get you won't regret
'Cause he's on the line
What you want is what he's got and what he's got, he's got a lot
'Cause it's alright, it's alright Ooh he's a rebel, written up in the Lambs book of life
And there'll be no escape 'cause the stage has been set for a while
If he comes your way, he'll make you surrender
His story's clear and his voice so tender What you see is what you get and what you get you won't regret
'Cause he's on the line
What you want is what he's got and what he's got, he's got a lot
'Cause it's alright, it's alright If he comes your way, he'll make you surrender
His words are clear and his love's forever He's a rebel 'cause he doesn't conform, that's for sure
But society rules and it's fallin' right down to the core
He'll love you like you've never been loved before
He always leaves you wanting him more He's a rebel, you see that rebel, yeah, that's a rebel, that guy's a rebel
He's a rebel, you see that rebel, yeah, that's a rebel, that guy's a rebel
He's a rebel, you see that rebel, yeah, that's a rebel, that guy's a rebel
