Forever

Freja Kirk

I can see you through the wild
and it's not enough
you got me playing with desire
let go of me
I see you dancing through the fire
and my concrete feet got me locked up again
You got me turned into a liar
let go of meEvery second feeling trapped in a world I wanna leave
got me turning away from a person I used to be(Forever) Can't let go
I see you every where
promise you'll be better
(Forever) I find a place
where only love is gone
forget that we could ever be
(together)
Can't let go
I see you every where
promise you'll be better
(Forever) I find a place
where only love is gone
forget that we could ever be
(together)Try to breath under the water
I'm giving up
chaos and disorder
let go of me
I see you playing with the fire
and your concrete feet got you locked up again
I've got you turned into a liar
let go of meEvery second feeling trapped in a world I wanna leave
got me turning away from a person I used to be
(Forever) Can't let go
I see you every where
promise you'll be better
(Forever) I find a place
where only love is gone
forget that we could ever be
(together)- Break -Forever
Can't let go
I see you every where

promise you'll be better
(Forever) I find a place
where only love is gone
forget that we could ever be
(together)
Can't let go
I see you every where
promise you'll be better
(Forever) I find a place
where only love is gone
forget that we could ever be
