

# Long Time No See Ya

## Cheap Trick

Long time, no see ya'  
So good to see ya'  
I don't care  
Where you've been  
What you want  
Why you wentLong time, no see ya'  
So good to see ya'  
I don't know  
When you left  
Who you with  
Or what you've seenLong time, no see ya'  
So good to see ya'[?]  
Can I get another  
Can I get another  
Another, another  
Can I have another  
[?] another way  
So good to see ya'Long time, no see ya'  
You're back where you belong  
So good to see ya'  
Well now it's been way too longHappy and  
It never ends  
If I were there  
[?]Long time, no see ya'  
So good to see ya'  
Scott my friend  
Try again  
Take your song  
Drink it inLong time, no see ya'  
So good to see ya'[?]  
Can I get another  
Can I get another  
Another, another  
Can I have anotherSo good to see ya'Long time no see ya'  
You're back where you belong  
So good to see ya'  
And I been away for way too longLong time no see ya'  
You're back where you belong  
So good to see ya'

And I been away for way too longLong time no see ya'  
So good to see ya'
