Beautiful Chaos

Teedra Moses

2, 3, Unh...
Oooooo oooooo...
Yeaaa yeaa yeaa yeaaa yeaaaaaaa...
2, 3..What we've got is something unexplainable
A spark to behold til' we're burning each other's souls
Its beautiful chaos (thats what we on)
We need to but we can't let go
Cause its so beautiful
But its chaosClearly (its clear to me) everytime I let you back in you mess it up (damn)
Makes me sure you're not the one (thats when I run)
Ignoring your phone calls (you still call) talkin' bout' I'm done with that
Days pass
You're knocking on my door I let you inAlone in the covers I'm yearning for your love
(cause I really want cha', yea I really do, but I'm tryin hard not to fuck with you)
And I should've known but I surrender to your call (but my guards come down for you) cause I can't deny it no noooWhat we've got (is something baby) is something unexplainable (and it feels so good)
A spark to behold (but its sooo so wrong, sooo wronggg) til' we're burning each others souls
Its beautiful chaos (Yeaa, yea, yea, yea, thats what we on)
We need to but we can't let go
Cause its so (so beautiful) beautiful
But its chaosHeyyyy, ooooh ooooh ooooh ooooh
Its like the same one that make you cry be the same one that (Ooooh ooooh ooooh ooooh) make you smile
And when you think you can't take no more
You have a change of heart making (Ooooh ooooh ooooh ooooh) love at night
(Ooooh ooooh ooooh ooooh)
Somebody gotta feel me, won't you feel me, can you feel me?
(Ooooh ooooh ooooh ooooh)
