## Dropkick Murphys

When we were young we had it all  
We had the sun, the moon, the stars  
We didn't picture very far  
We didn't go While people drove in fancy cars  
We swam in pools but they weren't ours  
We were rich yeah but no one told us  
We didn't know Yeah, when we were young  
Yeah, when we were young  
We had it all  
When we were young, we had a ball  
When we were young, we had it all  
When we were young We didn't know about girls or bars  
We stole candy and occasional cars  
Playing stick from dusk to dawn  
That's what we knew You had too much so I took you bike  
I hated your guts but I wanted your life  
Your mom was fine, you went to fancy schools  
You had lots of shit but you still weren't cool Yeah, when we were young  
Yeah, when we were young  
We had it all  
When we were young, we had a ball  
When we were young, we had it all  
When we were young Yeah, when we were young  
Yeah, when we were young  
Yeah, when we were young  
Yeah, when we were young  
We had it all  
When we were young, we had a ball  
When we were young, we had it all  
When we were young When we were young, we had it all  
When we were young we had a ball  
When we were young we had it all  
When we were young Yeah
