Sweet Solitude

Crematory

Silence - darkness - a cold gust of wind
Damp fog - flowers and grass witherApathy - indifference
Depressions sacrificed by deeper painSick of soliguy
Solitude before death promises - yes
Seems only to be a small stepThe fear of sleep
The fear of awakening
before the next morning
Crazed thoughts left themselves
Is life an illusion?
The power of life drawn
From all the hope and dreams
Of the solitaryThe story of life forever pressed on paperThe story of life forever pressed on paper
The thoughts of death forever repressed
The flames of my soul rideted with many questions?Crazed thoughts left themselves
Is life an illusion?
The power of life drawn
From all the hope and dreams
Of the solitary
Silence - darkness - a cold gust of wind
Damp fog - flowers and grass witherApathy - indifference
Depressions sacrificed by deeper pain
