

# It's Just the Way

## I Shook Hands

Just the way that I feel about tomorrow  
I'll be sad and alone all the time  
It's just the way that you said  
You don't love me anymore than goodbye I can't believe what you're saying  
You don't love me anymore, goodbye Just the way that I feel about tomorrow  
Knowing you won't be there by my side  
I wish that I could say to you  
Well, can't we just be good friends? Would you leave the door open  
Let me walk in again? That's the way I've been thinking 'bout tomorrow  
I only know that friends can't be lovers again
