September in the Rain

Nancy Lamott

The leaves of brown
Came tumbling down
Remember,
In September, in the rainThe sun went out
Just like a dying amber
That September in the rainTo every word of love
I heard you whisper
The raindrops seemed to play
Our sweet refrain
Though spring is here to me
It's still September
That September in the rainTo every word of love
I heard you whisper
The raindrops seemed to play
Our sweet refrain
Though spring is here to me
It is still September
That September in the rain
