

# September in the Rain

Nancy Lamott

The leaves of brown  
Came tumbling down  
Remember,  
In September, in the rainThe sun went out  
Just like a dying amber  
That September in the rainTo every word of love  
I heard you whisper  
The raindrops seemed to play  
Our sweet refrain  
Though spring is here to me  
It's still September  
That September in the rainTo every word of love  
I heard you whisper  
The raindrops seemed to play  
Our sweet refrain  
Though spring is here to me  
It is still September  
That September in the rain
