Got To Give It Up (new Remix)

[Aaliyah](#)

I used to go out to parties and stand around
'Cause I was too nervous to really get down
But my body yearned to be free
I got up on the floor and found, saw someone choose me
No more standin' upside the walls
I have got myself together baby, now I'm havin' a ball
Long as you groove it, there's always a chance
Somebody's watching, I'm gonna make romance
Move your body, move baby, dance all night
Do the grooving, I feel all right
Having a party, ooh came back, all your friends
But if you see me, stop out, let me in
Baby just party high and low
Let me step into your erotic zone
Ooh baby come on, let me in
I wanna party all night with you, yeah baby
Move it on, move it babe
I wanna give it to you right now, right now baby
Everybody's baby swingin'
I'm gonna see you dance, dance, dance, dance for me
[Incomprehensible], why don't you dance for me
Move it right baby, move it one more time
I know what I find
I wanna see it babe, see it
