Jesus Christ

Anarchus

Angels from the realms of glory
Stars shone bright above
Royal David's city
Was bathed in the light of loveJesus Christ was born today
Jesus Christ was born
Jesus Christ was born today
Jesus Christ was born"Lo", they did rejoice
Fine and pure of voice
And the wrong shall fail
And the right prevailJesus Christ was born today
Jesus Christ was born
Jesus Christ was born today
Jesus Christ was bornWe're gonna get born now
