When Love Breaks Down

Prefab Sprout

My love and I, we work well together
But often we're apart
Absence makes the heart lose weight
Till love breaks down, love breaks downOh my, oh my, have you seen the weather
The sweet September rain
Rain on me like no other
Until I drown, until I drownWhen love breaks down the things you do
To stop the truth from hurting you
When love breaks down the lies we tell
They only serve to fool ourselvesWhen love breaks down the things you do
To stop the truth from hurting you
When love breaks down, when love breaks downMy love and I, we are boxing clever
She'll never crowd me out
Fall be free as old confetti
And paint the town, paint the townWhen love breaks down the things you do
To stop the truth from hurtin' you
When love breaks down the lies we tell
They only serve to fool ourselvesWhen love breaks down the things you do
To stop the truth from hurtin' you
When love breaks down the lies we tell
They only serve to fool ourselvesWhen love breaks down the things you do
To stop the truth from hurting you
When love breaks down you join the wrecks
Who leave their hearts for easy sexWhen love breaks down
When love breaks down
