

Sailing on the Seven Seas

O.M.D.; Orchestral Manoeuvres in the Dark

You say that love will capture me
Not unless you give it free You're sailing on the seven seas
Sister Rae is on TV The light above, it shines so bright
That the F.B.I. won't sleep tonight 'Cause I'm so in awe of you
That I don't know what to do
And I'm sailing on the seven seas so blue Sick and tired, I don't know why
Skin and bones, touch the sky Sex and lies, can't bring me down
'Cause I sold my soul all over town And I'm so in awe of you
That I don't know what to do
And I'm sailing on the seven seas so blue People try to drag us down
So we learn to swim before we drown 'Cause I'm so in awe of you
That I don't know what to do
And I'm sailing on the seven seas so blue And I'm so in awe of you
That I don't know what to do
And I'm sailing on the seven seas so blue
