Sweet Lips

Merv Griffin

My heart goes clip clop
Wham pop
When sweet lips kisses me

Ala a-pop
Don't stop
Just buzz me like a bee

A-flip a chip, top
Whig mop
I feel so quivery

It's like a trumpet man that bodes high sea

I want a hip, hop
Clap, clop
When sweet lips kisses me

It's like a breeze
Caressing the apple tree
It's ecstasy

It happens every day
Oh boy, you'll never hear me say, hold boy
Whenever sweet lips starts in kissin' me

(Flip flop)
(Flip flop)

My heart goes clip clop
Wham pop
When sweet lips kisses me

Ala a-pop
Don't stop
Just a-buzz me like a bee

I flip my chip, top
Whig mop

I feel so quivery

It's like a trumpet man that blows high sea

I want a hip, hop
Clap, clop
When sweet lips kisses me

It's like a breeze
Caressing the apple tree
It's ecstasy

It happens every day
Oh boy, you'll never hear me say, woah boy
Whenever sweet lips starts in kissin' me

(It happens every day)
(Oh boy)
(You'll never hear me say woah boy)
Whenever sweet lips starts in kissing me
(Whenever sweet lips starts in kissin' me)
