Do Something With It (feat. Serayah)

Empire Cast

Oh, I see it on your face baby
You wanna know how I taste, baby
Watching me whine my waist, baby
You want a piece of this cake, cake, cake
You like to watch, it's gotten nasty
But I ain't mad at you, I ain't even mad at you
Darling let's start, I know you wanna touch me
And darling I ain't even mad at you'Cause you lookin' like you want it now
What the hell you waiting for
I'ma poke it out so you can see it clear
Said you lookin' like you want it now
What the hell you waiting for
Own it like you want it and get over here
Come and do something with it, do something with it
Standing there staring at it, boy come and get it
Come and do something with it, do something with it
Standing there staring at it, boy come and get it'Cause you lookin' like you want it now
What the hell you waiting for
I'ma poke it out so you can see it clear
Said you lookin' like you want it now
What the hell you waiting forOwn it like you want it and get over here
Getting on my nerves, baby
I got you hot I see you sweating out your shirt baby
But you still just sittin' watching me work, babyYellow as your body eryday, eryday
Boy I can tell you thinking nasty
But I ain't mad at you, I ain't even mad at you
I know what you want, but still you haven't asked me
Baby you bout to make me mad at you
'Cause you lookin' like you want it now
What the hell you waiting for
I'ma poke it out so you can see it clear
Said you lookin' like you want it now
What the hell you waiting forOwn it like you want it and get over here
Come and do something with it, do something with it
Standing there staring at it, boy come and get it
Come and do something with it, do something with it
Standing there staring at it, boy come and get it
'Cause you lookin' like you want it now
What the hell you waiting for

I'ma poke it out so you can see it clear
Said you lookin' like you want it now
What the hell you waiting for
Own it like you want it and get over here
