## **LIL PEEP**

Whip it like a Nascar, I can see the time pass  
Feel like I'm in high school, fucking me in gym class  
Shawty, I remember that I know you remember that  
You was fucking with me way before I even wrote raps

Now I'm seeing cash flow

I could be a asshole

Yeah, I know

But it's all good 'cause I let her spend my money though

Playboy bunny though, shawty look like a pornstar I know she love me 'cause she fuck me in her sports car

I pull up on her, tell her that we finna gonna go far

Drop top, smoking thrax, looking at the stars

Getting high, taking bars 'til we on mars

I could make the ground move like I'm avatar

Now I'm faded on my own in my bedroom

Now I'm lookin at my phone should I text you?

I don't wanna sext you, I don't wanna bless you

Baby I'm a priest in the underworld, guess who Lil bo peep with a brand new flow too

Lookin at my teeth like you never seen a gold tooth

Never in the streets 'cause I never leave my home

If you wanna live a dream I ain't coming bitch I told you Whip it like a Nascar, I can see the time pass
