

# No Class

## Motorhead

Shut up, you talk too loud  
You don't fit in with the crowd  
I can't believe you exist  
I've crossed you right off my list  
Too much, too soon  
You're way out of tune  
No class, no class  
Way out, you're way out of line  
No buddy, I can't spare a dime  
Fade out, baby that's right  
No bark and even less bite  
Your perfect smile  
Betrays your lack of style  
No class, no class  
Ah, no class, no class, ah  
Too late, you can't catch up now  
You face the wrong way anyhow  
I know you ain't got the brain  
To come in out of the rain  
Too bad, no magic  
I'm afraid you're merely tragic  
No class, baby, no class  
No class, ah, no class
