Confidential

Tina Turner

Tutu raa tutu raa
Tutu raaYou don't need to give me reasons
I understand
Somethings are best kept secret
And you've done all you can
I want no recompense
Just as much as you can give of yourself
If that makes senseI'll keep it confidential
It's secret, confidential
It may come as some surprise
But I can stay secret from prying eyes
So don't worry, I'll keep it confidential
Between you and meTutu raa tutu raa
Tutu raaGo on tell me that you love me
Show me you dare
We may not venture out in public
At least I know, you care
It can't be guaranteed
(It can't)
Just give me what you can of yourself
That's all I needAnd I'll keep it confidential
It's secret, confidential
It may come as some surprise
But I can stay secret from prying eyes
So don't worry, I'll keep it confidential
Between you and meNo one will know who I am
I think it's possible
(It's secret)
Only to love
(It's secret, confidential)
(It's secret, confidential)
You play such silly games
But if everyone knew about us
I'd feel no shameBut I'll keep it confidential
It's secret, confidential
It may come as some surprise
But I can stay secret from prying eyes
So don't worry, I'll keep it confidential
Between you and me

(It's secret, confidential)
Ohh yeah
(It's secret, confidential)
It's secret
(It's secret, confidential)
Ohh yeah
It's secret
(It's secret)
Confidential
