

Penitentiary

Citizen Cope

Well, I'm waiting on the day
When the people walk free to see
When the penitentiary is on fire
When there's no need to bleed
For your mother or your brother
Or the one that comes before you, whoa Well, I'm waiting on a time
When people walk free to see
From the penitentiary in our mind
When there's no need to bleed
For your father, or your son
Or the one that you've become, whoa When the penitentiary is on fire
When the penitentiary is on fire I'm waiting on the day
When the people walk free to see
The penitentiary is on fire
There's no need to bleed
For your father, or your son
Or the one that you've become and Well, I'm waiting on a time
When people walk free to see
From the penitentiary in our mind
When there's no need to bleed
For your mother or your brother
Or the one that comes before you, yeah When the penitentiary is on fire
When the penitentiary is on fire Yeah, when the penitentiary is on fire
Ho, the penitentiary is on fire
