

Stoned Soul Picnic

[Ken Navarro](#)

Can you surry, can you picnic?
Can you surry, can you picnic?
Surrey down to a stoned soul picnic
Surrey down to a stoned soul picnic
There'll be lots of time and wine
Red yellow honey, sassafras and moonshine
Red yellow honey
Sassafras and moonshine (moonshine)
Stoned soul, stoned soul
Surrey down to a stoned soul picnic
Surrey down to a stoned soul picnic
Rain and sun come in akin
And from the sky come the Lord and the lightning
And from the sky come
The Lord and the lightning
Stoned soul, stoned soul
Surrey on soul
Surrey, Surrey, Surrey, Surrey
There'll be trains of blossoms (there'll be trains of blossoms)
There'll be trains of music (there'll be music)
There'll be trains of trust, trains of golden dust
Come along and surrey on sweet trains of thought
Surrey on down
Can you surrey, can you surrey
Surrey down to a stoned soul picnic
Surrey down to a stoned soul picnic
There'll be lots of time and wine
Red yellow honey, sassafras and moonshine
Red yellow honey
Sassafras and moonshine (moonshine)
Stoned soul, stoned soul
Stoned soul yeah
Surrey on soul
Surrey
