Like It Doesn't Hurt

[Charlotte Cardin](#)

You know I act,
you know I act,
like it doesn't hurt no,
like it doesn't hurt no.
And no effect,
and no effect,
you drag me in your dirt hole,
like it doesn't hurt no.
I've been around,
your body upside down.
I've been around,
your body upside down,
but I can't touch you...
in any fucking way.
I know you are,
I know you are
so lovely, it's absurd,
cause it doesn't hurt.
I know you are,
I know you are
just like a wounded bag,
like it doesn't hurt.
I've been around,
your body upside down.
I've been around,
your body upside down,
but I can't touch you...
in any fucking way.
(Rap)
I've been around,
your body upside down.
I've been around,
your body upside down,
but I can't touch you.
I've been around,
your body upside down.
I've been around,
your body upside down,
but I can't touch you...

in any fucking way.
