Tired of coming up with empty desires. Liar you played me one too many times. You're fired. How could you be so angelically so evil? You keep blaming me but I can't go on no more we both know.[Pre-Chorus:] Cause I've been looking for that special girl someone who can liven up my world. Could you be the one I've been searching for? Baby, baby I've been looking for someone who can liven up my world. Could you be the one for me? Cause I'm fa sho your so good you're my favorite girl, so special fa sho.I'm headed out, hooking up with my peeps on Seven Mile. We just wilding out I'm pushing 8-0 on 94..., that's how we clown. After a while on Belle Isle this mommy gave me a smile. She said she liked my style. Let's talk later today and kick it for a while.[Pre-Chorus][Bridge:] La la la La and that's fa sho. La la la La and that's fa sho. I've been searching, searching, searching, searching for her (I've been searching for her). I think I love her, love her, love her I think I love her. Could you be the one for me?[Chorus:]
Oooh La la la La. Oooh La la la La
