Two Weeks

FKA twigs

I know it hurts
You know, I'd quench that thirst
(I can treat you better than them)
You say you're lonely
I say you'll think about it
'Cause you're the only
One who resonates that chest
Mouth open like
(High)

Higher than a motherfucker
Dreamin' of it
It's my lovin'
(Open your heart)
Flying like a screamin' falcon
On our ways to do each other
(Open your heart)
Pull out the incisor
Give me two weeks
You won't recognize her
Mouth open
You're high

I know it hurts
You know
I'd put you first
(I can fuck you better than her)
You say you want me
I say you'll live without it
Unless you're the only
One who instigates
Get your mouth
Open your heart

Higher than a motherfucker
Dreamin' of it
It's my lovin'
(Open your heart)
Flying like a screamin' falcon

On our ways to do each other
(Open your heart)
Pull out the incisor
Give me two weeks
You won't recognize her
Mouth open
You're high

Feel your body closin'
I can rip it open
Suck me up
I'm healin' for the shit you're dealin'
Smoke on your skin to get those pretty eyes rollin'
My thighs are apart for when you're ready to breathe in
Suck me up
I'm healin' for the shit you're dealin'
Hi motherfucker
Get your mouth open
Tou know you're mine

I'd put you first
Just close your eyes and dream about it
Higher than a motherfucker
Dreamin' of it
It's my lovin'
I'll quench your thirst
Just chase around and stop your doubtin'
Flying like a screamin' falcon
On our ways to do each other
(High, high, high, high)

Higher than a motherfucker
Dreamin' of it
It's my lovin'
(Open your heart)
Flying like a screamin' falcon
On our ways to do each other
(Open your heart)
Pull out the incisor
Give me two weeks
You won't recognize her
Mouth open
You're high
