

# Lilac In Hand

## Amen Dunes

Oh cousin Betty  
Move like a shadow  
Move like a shadow  
And fetch me.It takes a salted hand  
To fetch a pretty man  
To get him down  
To kiss me.There's a time and a place  
For all your style and taste  
The sick and the sad  
Don't touch me.Lilac in hand  
HesitationThere's a time and a place  
For all your style and taste  
The sick and the sad  
Don't touch me.Lilac in hand  
HesitationOh cousin Betty  
Yeah move like a shadow  
Move like a shadow  
And fetch me.
