Church of the Poison Mind (BBC In Concert) [Live]

Culture Club

Desolate loving in your eyes

You used and made my life so sweet

Step out like a god found child

I saw your eyes across the street

Who would be the fool to take you

Be more that just kind?

Step into a life of maybe

Love is hard to find in the church of the poison mindIn the church of the poison mind

In the church of the poison mindWatch me clinging to the beat

I had to fight to make it mine

That religion you could sink it neat

Just move your feet an' you'll feel fine

Who would be the fool to maybe

Trick a kiss in time?

Who am I to say that's crazy?

Love will make you blindIn the church of the poison mind

In the church of the poison mindDesolate loving in your eyes

You used and made my life so sweet

Step out like a god found child

I saw your eyes across the street

Who would be the fool to take you

Be more that just kind?

Step into a life of maybe

Love is hard to find in the church of the poison mindIn the church of the poison mind

In the church of the poison mind In the church of the poison mind In the church of the poison mind In the church of the poison mind In the church of the poison mind In the church of the poison mind In the church of the poison mind In the church of the poison mind
