

# Goodnight Moon

Matthew Sweet

There's a nail in the door and there's glass on the lawn  
Tacks on the floor and the TV is on  
And I always sleep with my guns when you're gone  
There's a blade by the bed and a phone in my hand  
A dog on the floor and some cash on the nightstand  
When I'm all alone the dreaming stops and I just can't stand  
What should I do just a little baby  
What if the lights go out and maybe  
And then the wind just starts to moan  
Outside the door he followed me home  
Well goodnight moon I want the sun  
If it's not here soon I might be done  
No it won't be too soon 'til I say, ?Goodnight moon?  
There's a shark in the pool and a witch in the tree  
A crazy old neighbor and he's been watching me  
And there's footsteps loud and strong coming down the hall  
Somethings under the bed now it's out in the hedge  
There's a big black crow sitting on my window ledge  
And I hear something scratching through the wall  
Oh what should I do just a little baby  
What if the lights go out and maybe  
I just hate to be all alone  
Outside the door he followed me home  
Now goodnight moon I want the sun  
If it's not here soon I might be done  
No it won't be too soon 'til I say, ?Goodnight moon?  
Well you're up so high, how can you save me?  
When the dark comes here tonight to take me up  
The mouth from woke and into bed  
Where it kisses my face eats my hand  
Oh what should I do just a little baby  
What if the lights go out and maybe  
And then the wind just starts to moan  
Outside the door he followed me home  
Now goodnight moon I want the sun  
If it's not here soon I might be done  
No it won't be too soon 'til I say, ?Goodnight moon?  
No it won't be too soon 'til I say, ?Goodnight moon?
