Vegas

Calvin Harris

I've got my car and my ride and my wheels
When I go to Vegas, well that's right
I've got my drugs and my stuff and my pills
When I go to Vegas, well alrightI've got my girls and my boys and my girls
When I go to Vegas, that's right
I've got my car and my ride and my wheels
When I go to VegasI've got my car and my ride and my wheels
When I go to Vegas, well that's right
I've got my drugs and my stuff and my pills
When I go to Vegas, well alrightI've got my girls and my boys and my girls
When I go to Vegas, that's right
I've got my car and my ride and my wheels
When I go to VegasI've got my car
I've got my carI've got my car and my ride and my wheels
When I go to Vegas, well that's right
I've got my drugs and my stuff and my pills
When I go to Vegas, well alrightI've got my girls and my boys and my girls
When I go to Vegas, that's right
I've got my car and my ride and my wheels
When I go to VegasI've got my car and my ride and my wheels
When I go to Vegas, that's right
I've got my drugs and my stuff and my pills
When I go to Vegas, alrightI've got my girls and my boys and my girls
When I go to Vegas, that's right
I've got my car and my ride and my wheels
When I go to VegasWhen I go to Vegas
When I go to Vegas
When I go to Vegas
When I go to Vegas
