Kill, Fuck, Die

Lapko

All my friends are hellions
They got nine toes in their graves
We all live to thrill ourselves
But got twice the will to die, oh yeah
You wanna live, wanna die
Wanna cry an angry noise
You wanna kill, you wanna thrill
You wanna yell an angry noise
Kill, fuck, die, all you get from life's
Kill, fuck, die, yeah, you're gonna die
Kill, fuck, die, all you get from life's
Kill, fuck, die
No, you can't take it, no, you won't take it
No, you can't take the pain from me
No, you can't take it, no, you won't take it
No, you can't take the pain away from me
I am pissed and violent
Someday you'll understand
I'm living to thrill myself like
The animal I know I am
You wanna live, wanna die
Wanna cry an angry noise
You wanna kill, you wanna thrill
You wanna yell an angry noise
Kill, fuck, die, all you get from life's
Kill, fuck, die, yeah, you're gonna die
Kill, fuck, die, all you get from life's
Kill, fuck, die
No, you can't take it, no, you won't take it
No, you can't take the pain from me
No, you can't take it, no, you won't take it
No, you can't take the pain away from me
No, you shouldn't cry
No, you shouldn't cry
No, you shouldn't cry
No, you can't take the pain away from me
You're gonna kneel before you die
You're gonna kneel to crucify
You're gonna, gonna kneel before you die

Gonna kneel to crucify
You're gonna kneel before you die
You're gonna kneel to crucify
Kill, fuck, die, all you get from life's
Kill, fuck, die, yeah, you're gonna die
Kill, fuck, die, all you get from life's
Kill, fuck, die
No, you can't take it, no, you won't take it
No, you can't take the pain from me
No, you can't take it, no, you won't take it
No, you can't take the pain away from me
No, you can't take it
No, you can't take it
No, you can't take it
No, you can't take the pain away from me
