Pirate Song

Javelins

I'd like to say something
slow down the bandwagon
there's a million reasons
I don't want to be here
but you don't know me well enough
to be the last on my list
what did I miss?
you win the most pointsI hope you're getting this
because I don't know when I've been this goodyou don't know what it's like
to be a slave and not get paid
why don't you save it
don't even try to erase it
because that's the way it is
and I hope it makes you sick
that I'm not even warmed up yetmake your last word hurt
before you let me go
next time I see you
don't be in the front rowslow down the bandwagonI'd like to say something
and I hope it makes you sick
that I'm not even warmed up yet
