Don't Cry

The Black Ghosts

Don't cry dear it ain't worth it
The rain on your face says it all
Don't cry dear it ain't worth it
Together we'll fallIts true I won't believe its not
I feel it from my nose to my toes
I've got no time to figure out why
Before I say I do
Would you like to know what I am thinking?Don't cry dear it ain't worth it
The rain on your face says it all
Don't cry dear it ain't worth it
Together we'll fall
And I would like to read your time
Highlight all the best bits
And you could sleep relentlessly
The power of the blind
You see what others can't see
At least that's what you tell me
What other reason could there be
For giving me your heartDon't cry dear it ain't worth it
The rain on your face says it all
Don't cry dear it ain't worth it
Together we'll fallDon't cry dear it ain't worth it
The rain on your face says it all
Don't cry dear it ain't worth it
Together we'll fall
Together we'll fall
Together we'll fallUntil it comes againUntil it comes againIt used to be it was all I want, my only care
Nothing else had a single part to play in my head
But now times led my mind astray, something was changed along the way
And no amount of tears can bring it back round til it comes againSo maybe we should pretend we're who we want to be
And forget who we really are and where we really be
Cause I've no time to start again but I won't to a bitter end
Can we keep it down til its back round til it comes
AgainUntil it comes again, until it comes againOne more time to take the test to make it real
Or one more nail in this relationship make it
Impossible to heal
On the good ship hope we sail but the stars above say
The wind will fail

Can we keep afloat until its back round until it comes againUntil it comes again, until it comes again
Until it comes again, until it comes again
