# Heal My Soul

## Savatage

I've been waiting, long forgotten
Shipwrecked on a distant shore
Am I drifting, no more wanted
Floating outward evermoreAll the dreams that I have harbored
In the labyrinth of my soul
Gone forever not discarded
Only sleeping till they're wholeIn the graveyard of my heart now
Sleep the years that I've long sold
For their markers is there nothing
Only ghost I cannot holdAnd father hear me I am tired
Shall I waken in thy home
And hold me closer I am trying
Sweet Lord Jesus heal my soul
