

# Heal My Soul

## Savatage

I've been waiting, long forgotten  
Shipwrecked on a distant shore  
Am I drifting, no more wanted  
Floating outward evermore All the dreams that I have harbored  
In the labyrinth of my soul  
Gone forever not discarded  
Only sleeping till they're whole In the graveyard of my heart now  
Sleep the years that I've long sold  
For their markers is there nothing  
Only ghost I cannot hold And father hear me I am tired  
Shall I waken in thy home  
And hold me closer I am trying  
Sweet Lord Jesus heal my soul
