

# Am I Losing You

## Manhattans

Your arms don't go around me  
When I reach out for you  
And your eyes don't hold the fire  
That they once used to do Little signs of distance, little signs of distance  
Little signs of distance, little signs of distance  
Tell me we are through Little signs of distance, little signs of distance  
Little signs of distance, little signs of distance  
Tell me, I'm losing you And it feels I can't go on, am I just no longer strong?  
Oh, it feels, I can't go on, am I losing you  
Am I losing you, am I losing you? My kisses and cries of love, no longer warm your heart  
And I can't seem to find a way, baby  
To make your laughter start, oh Little signs of distance, little signs of distance  
Little signs of distance, little signs of distance  
Tell me we are through Little signs of distance, little signs of distance  
Little signs of distance, little signs of distance  
Tell me, I'm losing you And it feels I can't go on  
Am I just no longer strong?  
Oh, it feels I can't go on Am I losing you?  
Am I losing you?  
Am I losing you? Little signs, little signs, hey  
Well, it seems like I'm losing you
