

XenoChrist

The Faceless

Shepard of Deception
Cloaked in the skin of their own
Waits in incubation to spread disease
A sinister growth
Gesting in the whore of God
A parasites host
Glorified Charlatan
A virgin womb defiled by the slithering parasitic seed of the Xenochrist
Adequately equipped
Weapons of manipulation
Prophet of contamination
Adequately equipped
Weapons of manipulation
Prophet of contamination
Bow to the savior of the fearful and desperate
Lured with the promise of eternal life
Bow to the savior of the fearful and desperate
Sentinel of malevolence
Dispensing false salvation
Prophet of contamination
Bethlehem will burn
Xeno Xenochrist
Xeno Xenochrist
Adequately equipped
Weapons of manipulation
Prophet of contamination
Adequately equipped
Weapons of manipulation
Prophet of contamination
Bow to the savior of the fearful and desperate
Shepard of Deception
Prophet of infection
Shepard of Deception
Prophet of infection
Shepard of Deception
Prophet of infection
