

# You're Just In Love

## Perry Como & The Fontaine Sisters

I hear singing and there's no one there  
I smell blossoms and the trees are bare  
All day long I seem to walk on air  
I wonder why, I wonder why I keep tossing in my sleep at night  
And what's more I've lost my appetite  
Stars that used to twinkle in the skies  
Are twinkling in my eyes, I wonder why You don't need analyzing  
It is not so surprisin'  
That you feel very strange but nice Your heart goes pitter-patter  
I know just what's the matter  
Because I've been there once or twice  
Put your head on my shoulder  
You need someone who's older  
A rub-down with a velvet glove There is nothing you can take  
To relieve that pleasant ache  
You're not sick, you're just in love I hear singing and there's no one there  
(You don't need analyzing, it is not so surprisin')  
I smell blossoms and the trees are bare  
(That you feel very strange but nice) All day long I seem to walk on air  
(Your heart goes pitter-patter, I know just what's the matter)  
I wonder why?  
(Because I've been there once or twice)  
I wonder why  
I keep tossing in my sleep at night  
(Put your head on my shoulder, you need someone who's older)  
And what's more I've lost my appetite  
(A rub-down with a velvet glove) Stars that used to twinkle in the skies  
(There is nothing you can take, to relieve that pleasant ache)  
Are twinkling in my eyes  
(You're not sick)  
I wonder why?  
(You're just in love) Now, you know why  
Now, I know why  
I'm just in love
