

# Tell Me D U Wanna

## Ginuwine

Oooh Oooh Aaah! Check me out Baby  
[Chorus:]  
Tell me do U wanna go home with me?  
Tell me do U wanna come creep with me?  
Tell me do U wanna go home?  
Tell me do U wanna get wild with me? Tell me do U wanna go home with me?  
Tell me do U wanna come creep with me?  
Tell me do U wanna get wild with me?  
Tell me do U wanna go home? The music is pumpin'  
'Bout to make my moves  
The dance floor is jumpin'  
I'm checkin out your grooves  
Across this crowded room  
Cause I'm scoping you I'm feeling confident  
I just came from the bar  
Who the hell you are  
Sick of wondering  
Cause I wantin you  
What a Nigga gotta do [Chorus]  
(Oooooo)  
(Tell me, Tell me, Tell me, Tell me) [2nd Verse]  
You wanna have some fun?  
Come ride with me, Let's chill  
And both of us get ill  
I'll take you to a place  
Cause I'm feeling you  
Just tell me what to do, Baby Take my hand lets go  
That's all I wanna do  
Fellas wondering  
How I am stuck with you  
Cause my game was tight  
Everything turned alright that night Everything turned out right That Night, Tell me  
(Tell Me, Tell Me, Tell Me)  
[Chorus]  
(It ain't Nuthin but a Thang)  
(You ain't said nuthin but a word baby) I'll break you off  
till the sun comes up  
Baby, come and get this thang Gyrl  
Won't tell a soul

It's down low  
Trust Me, I'll give you what you want Baby  
Let's go get freak  
Cause I'm in the mood  
Get Nasty, get wild on my side Baby  
Wanna get in where I fit in Baby  
Baby, Tell me do you wanna go.  
(Tell me do ya ) 10x  
(I gotta have you all to myself, Yes I do)  
[Chorus]  
(I've been peeping U)  
(I like your style)  
(I like the way you move)(Yes I do)  
Tell me do ya, uh: [echoes & fades]  
Tell me do ya aaah:[echoes, fades & ends]
