

Walking the Dog

fun.

Walking alone 'cause the night is dead
Crossed my mind when I crossed the bridge
How you lost your mind and your wrist got bruised
And you wanted better love when it's sleeping in your bedroom
Hold on, stay on my side, don't go
If you could see me whoever I am, it's not like a movie but it's not all skin
and bones
So come on love (come on, come on, come all and go)
Nah nah nah nah nah nah nah I will not let you go
Now
I'm walking alone 'cause the night is dead
My feet don't glide like they did back then
When I would call you up so we could shoot the moon
These days I'm left to howl in toon
Hearts do break and I must admit, I've got a better set of chords so I
might've been fakin'???

Think I really cried just once so
If you could see me whoever I am, it's not like a movie but it's not all skin and
bones
So come on love (come on, come on, come all and go)
Nah nah nah nah nah nah nah I will not let you go
Nah nah nah nah nah nah nah I will not let you go
After all the shows, after the boys of summer will go
Amid all the confusion
These friends I've been losin'???
I always thought from the start
I'd be the one moving on
I guess I'll never know
Where all the boys of summer will go
But I'll miss what we made
All those days were not wasted

There are some things I may never know
How you lost your mind and your wrist got bruised
And you wanted better love when it's sleeping in your bedroom
Hold on, stay on my side, don't go
If you could see me whoever I am, it's not like a movie but it's not all skin
and bones
So come on love (come on, come on, come all and go)
Nah nah nah nah nah nah nah I will not let you go
If you
could see me whoever I am, it's not like a movie but it's not all skin and bones
So come on love (come on, come on, come all and go)
Nah nah nah nah nah nah nah I will not let you go
(Walking alone 'cause the night is dead)
If you could see me whoever I am,
(Crossed my mind when I crossed the bridge)
It's not like a movie but it's not all skin and bones
(Walking alone 'cause the night is dead)
So come on love (come on, come on, come all and go)
(Nah nah nah nah nah nah nah I will not let you go)
