

# One In Seven

## Engineers

Build your hopes behind the scenes  
Break between your plans and schemes  
Save yourselves, escape from me  
Brace against the coming wind You're one in seven  
But you're closer than me  
Been left wide open  
Shows we're nearer than before Clear the way so I can breathe  
Make a space so I can see  
Hold the strength that's not in me  
Beneath contempt or so it seems You're one in seven  
But you're closer than me  
Been left wide open  
Shows we're nearer than before
