## Mislyd

You been sayin' that you're on a busy schedule
Well, I'm standin' here today, just to let you know
That I'm takin' over
Now, I hope that you're ready for, ready for meNow, I ain't comin' at you, playin' like them other dudes
'Cause ain't nothin' more important then lovin' you
If you want somethin' that's new
That you would be opened too, here's what you doYou can cancel your plans, cancel your man
Clear out your schedule an' pencil me in
You can cancel your plans, cancel your man
Clear out your schedule an' pencil me inYou can cancel your plans, cancel your man
Clear out your schedule an' pencil me in
You can cancel your plans an' cancel your man
Clear out your schedule an' pencil me inDon't mean to be eavesdroppin' when you on the phone
Lord, I heard you ask your girlfriend what she's puttin' on
An' I know it's Saturday but tell dem you ain't goin'
Somethin' came upAn' I know you heard the same ol' thing a million times
Pretty sure that you've been hit with about a million lines
But I'm sure ain't nobody's lovin' matchin' mines
A man can't resignYou can cancel your plans, cancel your man
Clear out your schedule an' pencil me in
You can cancel your plans, cancel your man
Clear out your schedule an' pencil me inYou can cancel your plans, cancel your man
Clear out your schedule an' pencil me in
You can cancel your plans an' cancel your man
Clear out your schedule an' pencil me inYou can go with your friends, party
You can go with your friends, baby
You can go with your friends, every night, but tonight
You can go with your friends tomorrow
You can go with your friendsYou can cancel your plans, cancel your man
Clear out your schedule an' pencil me in
You can cancel your plans, cancel your man
Clear out your schedule an' pencil me inYou can cancel your plans, cancel your man
Clear out your schedule an' pencil me in
You can cancel your plans an' cancel your man
Clear out your schedule an' pencil me inYou can cancel your plans, cancel your man
Clear out your schedule an' pencil me in
You can cancel your plans, cancel your man
Clear out your schedule an' pencil me inYou can cancel your plans, cancel your man
Clear out your schedule an' pencil me in

You can cancel your plans an' cancel your man
Clear out your schedule an' pencil me inYou can cancel your plans, cancel your man
Clear out your schedule an' pencil me in
You can cancel your plans, cancel your man
Clear out your schedule an' pencil me inYou can cancel your plans, cancel your man
Clear out your schedule an' pencil me in
