

# Down On the Street

Iggy Pop

Uh

Aah

Ooh

Down on the street where the faces shine

Floatin' around, I'm a real low mind

See a pretty thing

Ain't no wall

See a pretty thing

It ain't no wall

No wall

No wall

No wall Ooh Yeah deep in the night, I'm lost in love

Yeah deep in the night, I'm lost in love

A thousand lighs

Look at you

A thousand lights

Look at you

I'm lost

I'm lost

I'm lost, yeah

I'm lost

Lost, lost, lost Ooh

Yeah

Yeah

Ooh, low, low, low, low, low, low, low, low, low

Low, low, low

Faces shine, real low mind

Real low mind

I'm a real low mind

Real low mind
