

# Divided Self

## Squackett

To be or not to be a white van man  
A prince without a plan  
Hamlet is a bam, a boy who loves his mam  
Don't mean to be a cynic,  
Happy at the clinic anyhow  
Thank you Mr Freud, that's my life destroyed  
Decided, united, derided  
Divided self  
The enemy within us knows heaven's full of sinners  
You could be laughing as you weep  
Crowded in this lonely room with actors  
Landing on the moon  
Don't mean to be a cynic,  
Happy at the clinic anyhow  
Stay young and beautiful all the time  
Decided, united, derided  
Divided self
