Voice of temptation whispers you far away
Voice of temptation whispers you far away
Subete wa ima unmei no
Kane wa narihibiku sono toki
Yume wa ikutsu mono tobira wo akete
Iba ni kizutsuki samayou sou

Voice of temptation whispers you far away
Me no mae ni hirogaru seijaku
Voice of temptation whispers you far away
Me no mae ni hirogaru yuuwaku

Ima wa kono itami sae mo
Sora ni hibiku omoi wa todokanai
Yuragu kokoro wa doko ka e
Bara wa saigo no namida ukabete

Voice of temptation whispers you far away
Me no mae ni hirogaru seijaku
Voice of temptation whispers you far away
Me no mae ni hirogaru yuuwaku

Subete no kizu unmei wa
Aisuru koto sae sute sari
Toki wa iroase itami wa karete
Saigo no kotoba o sasayaku

Voice of temptation whispers you far away
Voice of temptation whispers you far away
Me no mae ni hirogaru seijaku
Voice of temptation whispers you far away
Me no mae ni hirogaru yuuwaku
