College Girl

Bobby Brown

Lady, please tell me
How you really feel
Deep inside your heart?
I hope that it's for real
I feel lonely
Do you wish that I was there?
There right by your side
Showing you I care
College Girl
Won't you come over tonight
I want to make love to you
College Girl
I can make it feel alright
Lately I've been thinkin'
'Bout how we use to be
Something about your love
That makes my life complete
I've never met a girl
Can make me feel the way you do?
Girl, won't you come over
So I can do the things I wanna do
College Girl
Won't you come over tonight
I want to make love to you
College Girl
I can make it feel alright, yeah

College Girl
Won't you come over tonight
I want to make love to you
College Girl
I can make it feel alright
College girl, please let me know the deal
If you're for real about the love
College Girl
Won't you come over tonight?
I want to make love to you
College Girl
I can make it feel alright

College Girl
Won't you come over tonight?
I want to make love to you
College Girl
I can make it feel alright
College Girl
Won't you come over tonight?
I want to make love to you
College Girl
I can make it feel alright
