Whatever Gets You Through The Day

Lighthouse Family

When all your hope has gone
And everything you love g gone away
Whatever gets you through the day
That's our way
Cause I why sitting on the side
Watching the tide
Drifting away
Whatever gets you through the day
That's your wayCause I don't think I'm brave enough
To admit I'm breaking up
And when the pain just tears you up
The only thing you need is love
So just get yourself back on it
Another day is gonna come
Keep on praying for it
AaahIt's all just people talking
Does it really matter what they say?
Whatever gets you through the day
That's your way
Cause I don't care who's right sometimes
I wish they'd all just go away
Whatever gets you through the day
That's your wayI think I've been here long enough
To know what things are really worth
And I can see through all that stuff
Cause all you really need is loveSo just get yourself back on it
Another day is gonna come
Keep on praying for it
AaahSo just get yourself back on it
Another day is gonna come
Keep on praying for it
AaahSwitch yourself back on and
Get yourself back on it
Switch yourself back on and
Get yourself back on itI think I've been here long enough
To know what things are really worth
And I can see through all that stuff
Cause all you really need is loveSo just get yourself back on it
Another day is gonna come

Keep on praying for it
So just get yourself back on it
Another day is gonna come
Keep on praying for it
AaahWhatever gets you through the day
Whatever gets you through the day
Whatever gets you through the day
