

Holy Water

Big & Rich

Somewhere there's a stolen halo
I use to watch her wear it well
Everything would shine wherever she would go
But looking at her now you'd never tell
Someone ran away with her innocence
A memory she can't get out of her head
I can only imagine what she's feeling when she's praying
Kneeling at the edge of her bed
And she says take me away
And take me farther
Surround me now and hold, hold
Hold me like holy water, holy water
She wants someone to call her Angel
Someone to put the light back in her eyes
She's looking through the faces, the unfamiliar places
She needs someone to hear her when she cries
And she says take me away
And take me farther
Surround me now and hold, hold
Hold me like holy water, holy water
She just needs a little help
To wash away the pain she's felt
She wants to feel the healing hands
Of someone who understands
And she says take me away
And take me farther
Surround me now and hold, hold
Hold me
And she says take me away
And take me farther
Surround me now and hold, hold
Hold me like holy water, like holy water
Like holy water, like holy water
